## WE ARE COMMITTED TO YOUR EDUCATION

### HOW WE DETERMINED YOUR AID PACKAGE

The information you provided on the FAFSA was put through a calculation established by the federal government. This calculation provides an amount the government has determined that your family may contribute toward your college expenses. This is called your Student Aid Index (SAI). Next, the University's cost of attendance is determined. Subtracting the SAI from the cost of attendance gives the Office of Financial Aid your financial aid need at UNC Charlotte. Every effort is made to meet your needs with your award package.

### HOW TO ESTIMATE COSTS

Cost of attendance is an ESTIMATED cost of completing a full year as a full-time student. It is an average amount for what your expenses might be. Your cost of attendance may vary from this estimate. While the budget hasn't been finalized for 2024-2025, you can plan ahead using the budget for the current year. You will receive your exact charges on your account after you register for classes and if you apply for housing. Cost of attendance information is available at [ninercentral.charlotte.edu/cost-of-attendance](https://ninercentral.charlotte.edu/cost-of-attendance).

## ESTIMATED COST OF ATTENDANCE

### EXAMPLE BUDGET

Below is an example of the one-year cost of attendance for a new undergraduate North Carolina resident living on campus using the 2023-2024 budget:

<b>Tuition and Fees</b> .....	\$	<b>7,214</b>
<b>Loan Fees</b> .....	\$	<b>94</b>
<b>Books and Supplies</b> .....	\$	<b>600</b>
<b>Room and Board</b> .....	\$	<b>12,858</b>
<b>Transportation</b> .....	\$	<b>1,100</b>
<b>Miscellaneous</b> .....	\$	<b>1,450</b>
<b>Computer</b> .....	\$	<b>350</b>
<b>TOTAL</b>	\$	<b>23,316</b>

### EXPLANATION OF BUDGET

**Direct Costs are shown in gold in the example at left.** These costs are paid directly to Charlotte and billed through your MyCharlotte account and able to be included in a payment plan. Your actual direct costs will vary depending on whether you attend full-time or part-time, if you live on campus, what residence hall you live in, which meal plan you choose and more.

**Indirect Costs are estimated and are shown in black in the example at left.** These costs are not payable to Charlotte and will not show on your student account or bill. These can be paid with a refund from financial aid or out-of-pocket.

*\*If the amount of financial aid paid to your account is greater than your charges, you will receive a refund during the first week of classes. You can use this refund for indirect costs.*

## TYPES OF FINANCIAL AID

### LOANS

A **loan** is an investment in your future, but is money you borrow and must pay back with interest. Loans are always optional and you can choose to accept the offered amount or any lesser amount.

**Federal Direct Subsidized Loans** are loans from the federal government with a fixed interest rate. The government will pay interest on your subsidized loan while you are in school (with at least six credit hours) and during your six-month grace period after graduation. After that point, you are responsible for paying the interest (and principal).

**Federal Direct Unsubsidized Loans** are also loans from the federal government with a fixed interest rate. However, you are responsible for paying the interest during all periods. If you choose not to pay the interest while you are in school, your interest will accrue (accumulate) and your interest will be added to the principal amount of your loan.

### GRANTS & SCHOLARSHIPS

**Grants** may be awarded by the federal or state government, or by the University. **Scholarships** may be awarded by the University or outside sources. These awards do not have to be repaid or earned through work.

**Federal and State Grants** are awarded to students demonstrating significant financial need as determined by the FAFSA. State-funded grants are estimates and are contingent upon sufficient appropriations set by the NC General Assembly and are restricted to NC residents.

**Institutional Grants** are awarded by UNC Charlotte.

### WORK-STUDY EMPLOYMENT

**Federal Work-Study** aid is awarded as part of a program that enables students with financial need to work a part-time job on campus, earning money while enrolled at Charlotte. Money is earned as you work throughout the semester, so you will not have the money "up front" in the beginning of the semester to pay your student account bill.
